

The Crank Case

July 2022

**Newsletter of the Nelson Branch
of The Vintage Car Club of NZ (Inc)**

Postal Address: P.O Box 3531 Richmond 7050

Email: nelson@vcc.org.nz

Club Rooms: Speedway Assn Grounds, Entry Lower Queen St, Richmond .

Web Site: www.nelsonvcc.org.nz.

Hi Everyone

Welcome to you all from our new committee. We thank our outgoing committee member Jo Hoffman and Immediate Past Chairman Trevor Carston for their amazing contribution to the branch activities.

Also many thanks for Ian MacLennan for his over and above secretarial role, thankfully Roy West has stepped in to fill that role - gratefully appreciated.

Our immediate focus is the Daffodill Day Rally for Cancer, with over 30 members offering to help already—awesome response—lets try an make this an event to be remembered.

We also welcome to the committee Dianne Lewis, Maureen and Leigh Joblin.

We now have three very capable ladies on the team which I am sure will be greatly appreciated

Kind regards
Ray

Front Cover: Winner of the Inaugral “Pride Of Ownwership” competition—Jim and Kyra Wareings Chrysler heads the entries.

CHATTER from the CHAIR....

Hi Everyone,
Well we have a new nut behind the wheel.... I have big skid marks to follow, thanks to the tremendous efforts on your behalf, by our Immediate past Chairman, Trevor, and the strong Committee supporting him over the last three years.... THANKS Trevor, ably supported by COLLEEN! Trevor remains on the Committee in this capacity and his advice and support will be invaluable!
Over 40 enthusiastic folk turned up to our AGM, on a lovely sunny Nelson day and all positions on the Committee and the elected Officers were filled..... Brilliant and thank you everyone, for this show of support.... the future of our Nelson Branch looks really positive for this year!
A huge thank you to Jo Hoffman, our coffee cruize instigator, for all her help on the Committee and we wish Jo all the best in her new position and return to the classroom! We will see you back in the future.... won't we Jo!! Also Bevan P, has not stood for the Committee this year but several new hats were thrown into the ring and we welcome aboard Leigh and Maureen Jobiln and Dianne Lewis... Great, I heard Jenny shout, as once again she is not left the only lady on our Committee!

The very busy Secretary/Treasurer position, so capably covered by Ian MacLennan in the last couple of years, has been split with Ian continuing as Treasurer and our capable Librarian, Roy West taking on the Secretary role. Because Trevor stays on the Committee for a year as the Imm Past Chairman we didn't elect a Vice Chairman this year and most other positions of responsibility continue from previously.... see below.

It was great to see 9 or 10 vehicles displayed in the sun as the RESTORATION of the YEAR, and a new class PRIDE of OWNERSHIP

had everyone oeing andahhging as they cast their votes. This new class was a great way of bringing more vehicles out and promoting some of the really desirable, beautifully presented, vehicles in our Branch. A huge thank you to the Carstons for donating a new trophy to the winners of this class, Jim and Kyra Wareing.

Hopefully, I don't crash and burn.... but with everyone's continued support I 'm sure we'll have a positive and progressive year! Once again we will be having a very busy year from the VCC National Day, supporting the Cancer Society on Sunday 21 st August, through to Nelson's hosting of the National AGM in Mid August 2023. Then just to keep the momentum going we have been approved to host the South Island Easter Rally, as part of our Branches 60 th Anniversary Celebrations, based in Richmond at Easter 2024..... Yep, all hands will be needed keeping our wheels rolling....

On top of these major happenings there will be the usual range of Branch and Inter branch Rallies,a new class PRIDE of OWNERSHIP had everyone oeing and Display Days and Tours to support! Recent tours that Rex Smith and myself have put together have been well supported and I promise that the call for future tours south to Central [tentatively to incorporate Wheels into Wanaka, Easter 2023] and a tour further south to take in Dunedin – South East Otago – Invercargill are already in the air for October 2023. Mark these dates on your calendar now..

Although nothing controversial was raised at our AGM one or two important matters were brought up. The matter of outstanding LONG SERVICE AWARDS and the problems these can bring was raised by Pat Kennedy, our trusty records guru, who is continuing in the position.... But be contacted early in your winning process to ensure the correct steps are taken and in good time..... see page 3

only if members don't get 'pushy' with him.... National office long service records are not complete but new staff there are grappling with this. Meantime, we are one of the fortunate Branches that has very up to date historical records of exactly when people joined thanks to a time consuming up date done by Dave Campbell when he was Chairman a few years back. Not all Branches are fortunate to have this documentation.... and this is the record Pat uses when checking your history. Memories are not great over time, but please, if you do not agree with Pat's ruling do not criticise him.... he is using the records up dated by Dave and these are much more complete than those in Christchurch. If you transferred in from another Branch, your exact starting date with Nelson may not show exactly and some recent new members, joining online, may not be recorded by Pat either and he will appreciate all new members advising him of when they joined..... just to clarify things.... thanks.

See Pat's Contact on page 3.

Since the passing of Ivo [Ken Ivory] our Branch has not had a Patron and it was asked.... will we be making an appointment this year... The jury is out.... Yes, we could consider suitable suggestions from members and discuss these at Committee this year. A patron needs to be someone who has gone beyond the call for the Club in the past and is still likely to be able to contribute significantly in the near future. Someone who is skilled in negotiations and mediation, should personality problems occur, and someone who is suitably aware of Club etiquette and rules and regulations, again should concerns arise. In the last few months three members have mentioned three different people as possible Patrons, to me. I have suggested they write down these names and reasons why they would be suitable and send these into the Committee for us to discuss and perhaps make an appointment later in 2022. Max Clarke has agreed to continue as our VEHICLE ID man, and he

Malcolm Baker continues as our Grounds Person, Tractor and mower management..... a big thank you to everyone who has filled the roster this last year.... and Malcolm looks forward to your continued help this year. Any new members who want to be added to the list.... please see page 3.

Brent Colvin remains as our building custodian and Kyra and her ladies will continue restocking all our supplies....thanks girls.. The year could get busier for Malcolm and Brent as we follow up on suggestions made last year to improve our foyer and entrance way, add suitable historical car/garage style murals to parts of the exterior, add a better awning/sunshade to our outside area as well as adding to it's attractiveness with more plantings, shrubs etc your suggestions welcome...

Now that the Speedway Association are allowing Campers in self contained vehicles to use parts of the grounds, concern was expressed at the AGM about improved security and campers parking on our hard areas as their areas have become so water logged. Trevor outlined a number of concerns that he will ask Ian to write to the Speedway about to have this clarified before the summer... watch this space....

Ray Robertson continues as the MAN.... ensuring we are all aware of the happenings in the Branch as he works night and day, between his full time work to get the CRANK CASE together regularly by the end of the month. Ray appreciates our contributions and there have been some great member profiles and other efforts, photos etc, stories of trips, historical anecdotes and reports of rallies, displays and tours, restorations..... so please keep these coming... At the AGM

I suggested a column on 'first cars' or 'cars you have owned', enjoyably or otherwise.... Pat tells us we did this successfully, some years ago..... yep, great, lets hit it again... thanks Ray for all YOU DO for US....

Gordon Dacombe continues as the coordinator and organizer of our

speed events, hill climbs, mud plugs, trials etc.... if you can help or wish to participate see Gordon's contact on page 3

Ron Johnson continues getting the hard copies of the Crank Case out to the Morning Teas and posted to those who prefer this additional service. Past Chairman, John Hurley, pointed out the problems getting the news by some members without email or postage addresses, or the urge to pay the additional 30.00 for postage. If any members are aware of these members not receiving the Crank Case and you can deliver personal copies to them, or give them a ride to a Morning Tea to collect their personal copy, please help them to keep in touch....thank you..

From JULY 5 th our Committee meetings will now be at 7pm on the TUESDAY NIGHT.... as this suits me better.... It will also mean that ROB, as our continuing Club Captain, myself and others can get the latest decisions and happenings to you immediately after the meeting.... At the next mornings Morning Tea....We will also try and allow a little time for feedback regarding things at the Morning Teas and will perhaps have a suggestion box [as suggested by a member] on the table by the kitchen where the minutes of the previous Committee meetings are displayed for your reading. Well, another big effort to write..... and for you to read.... A lot is happening, in the spring and summer so next issue I will update you more fully on things that are coming up and will require your continued support. Meantime, please remember our Cancer fundraiser on Sunday 21st August...

My input will be a little limited as I will be attending the VCC Nat AGM , in Auckland from 12 th -14 th Aug, just the week before. If anyone else would like to attend as an Observer from our Branch, please let me know.

No jokes this time..... seriously.... joke is my question and exclamation marks have stopped working during this Chatter.... sorry you will have to insert your own....

Reminder Snow Run, combined with Marlborough, at Rai Valley Sunday 10 th July.
Midwinter Christmas Party, Clubrooms, 6.30pm Sat 23 rd July, contact Rob..... pg 3, for details.

KEEP EM POLISHED AND READY.... Spring will soon be Sprung...
MIKE BRYAN.

Club Captain 2022 Annual Report

Thank you very much to members who have supported our Club and Club events, and thanks to the committee for your work in keeping the Club operational though this Covid time. Thank you to Jo who because of a job change is stepping down from the committee. It would be great to have more women on our committee. A Huge thank you to Trevor and Colleen for you leadership and hard work over the past 3 year with many ups and downs. Thank you on behalf of our Club. We have had a number of Club events take place but also we have had events planned that did not take place because of the Covid situation. We have a lot to look forward to such as
The so-called snow run with Marlborough to Ria Valley 10 July.
Mid winter Christmas dinner date to be confirmed.
Henry Ford's birthday in Marlborough at Omaka 31 July.
National Daffodil Rally 31 August.
Kerr's hill, hill climb Kikiwa date to be confirmed.
Proposed Car boot sale 24 September at our Club grounds.
Targa Rally Nelson area 28,29,30 October.
Plus more events I have not mentioned.

For me it has been wonderful having Jenny as assistant Club Captain, it has been great having her and Dale carry on when I have not been available. I have put my name forward for the position of Club Captain however if others have put there names forward please withdraw my name. I am happy to be on the committee and not be Club Captain. I feel if elected this is my last year as you can stay in the job too long, which is not healthy for the Club or me; I will not be sad and upset if I am not elected.

If you are a member who has said as a Club we are not doing enough in a certain area e.g.
Not enough club runs,
Not enough club events,
Not enough club tours,
Not enough garage raids,
Not enough speakers,
Not enough visits,
Then please get involved and you put your hand up and organise an event where you see a gap in our programme that needs to be filled.
Keep the Club Captain in the loop so as events are not clashing.

As I wrote last year I thank our members who have organised and run events, please keep doing this.
I am still working towards the Club Captains roll as being collating and guiding rather than organising.
With members organising events it creates diversity, spreads the workload and adds to the camaraderie of the Club.

All the best Rob

The Snow Run

**Sunday 10th July—destination the Rai Valley
Show Grounds**

**We have use of the hall if the weather is poor,
plenty of parking.**

BYO picnic lunch

batteries for –

**Vintage Cars, Golf Carts, Mobility
Scooters
and more!!**

Check these awesome pics of the late Colin Gregson doing what he enjoyed most. They were taken by Burkhard Struach's son Fabian.

A great turn out to Colins memorial service with a large number of motorcyclists and VCC members paying their respects and remembering a very cool gentleman.

While Colin would not have wanted a fuss made over him, never the less he would I am sure have been quietly stoked at so many people coming to his memorial

Club Captains Report

May 28 Sat Club run

20 cars on this run, which finished at Faulkner's Bush on a lovely Nelson winters day. Many thanks to Morgan, Jarod and Gordon for putting this run and questions together.

Interesting we had 19 winners and one 2nd place getter. So we feel we have a Club full of winners well done.

Our members really enjoyed the route and roads.

Apologies from me as we had double-checked the route and Gordon had pointed out one right that should have been a left.

I corrected it and didn't click save which when printing the run sheets the mistake was still there. However Karen and I were first at this troublesome corner, worked out it was wrong, pointed the next car, Brent and Sue in the right direction, and we managed to catch everyone.

So a much more interesting and perhaps frustrating afternoon was diverted.

June 1 Wed morning tea

Many thanks to Gary for morning tea duties once again and all the extra helpers in the kitchen cleaning up, a good number considering the heavy rain in the morning.

9 Thus Club night Ten pin Bowling

Many thanks to Brent C for this evening and organisation. It went off well with Di Lewis taking the win on the night.

11 Sat Coffee cruise Harbour and Lighthouse Tour Cancelled

15 Wed Morning tea

Sorry I have no info on this event.

19 Sun Rosco's Reefton trials

Sorry again as I have not caught up on the event.

26 Sun AGM Restoration of the Year and Pride of ownership

I hear this all went off very well, thank you to all who attended and

welcome to the new committee members. Well done to Roy E for winning the restoration of the year and I hear Jim won the Pride of ownership well done. Maybe we should have a motorcycle section as I have heard how wonderful Burkhard's Honda now looks after a major restoration Job.

Extra bits

I recently bought some little cars for putting a few more wee trophies together that sit on the timber stands that are made by Peter Field. We have made a number of these. Our intention is for them to be kept by the recipient forever. However if you have received one and it is becoming a problem please donate it back to the Club as we can recycle them.

With the price of fuel now it would be great to get feed back from members on how you are finding the distance of runs. It has been mentioned also to perhaps share a car e.g. if two or three members turn up by themselves then maybe leave a car or two at the clubrooms, have a bonding session/run with someone and save some dollars on fuel. Our UK member Hal informed me recently that for a litre of fuel in the UK at the moment was equivalent to NZ \$4.80. That seems to be what we may have to look forward to. Remember if you do not have a mobile VCC car please come on our runs in or on whatever you have that has a warrant. All welcome.

The National VCC has set a date for the Daffodil Rally raising money for the Nelson Cancer Society Aug 21. We need your help for Marshalls, setting up for this rally etc. Please add your name and Phone Number to the clipboard in the clubrooms if you can help both before and on the day.

We need gifts that can be put into raffles, what can you donate or whom can you tap on the shoulder. If it were not for the raffles last year we would not have stayed in the black. Every little bit helps.

Please keep an eye on the Calendar of events in this Crank Case as we have quite a bit coming up.

All the best Rob and Jenny

Delivery of Daffodils for Cancer Society

The VCC will again be providing vehicles to deliver Daffodils to local business houses

Tuesday August 23rd 1.00pm

We will need 7 cars and drivers please to drive Cancer Society volunteers

At this stage there will be two Richmond runs, one Waimea Rd/Stoke run and the rest are around the Port and city

Anybody who can help please contact Trevor Carston on 547 3563 or 021 262 4009

Bring Gardening Gear, wheelbarrows, secateurs , hoes etc

The plan is to tidy up the Garden on the bank

Others will be giving the building a clean with a waterblaster

Lets have the place looking great for the AGM

Bikes to buttons

By wordsmith Mort

Take a grip, let's try and get a handle on what art is, you don't want a bar of it? Settle into your seat, maybe if we put some light on the subject the shadows could become clearer.

It could be said from the hub of fashion protrudes the spokes of art tensioned to travel through time

Take inspiration and slip time into a case. Lay down some lace, dress it up with passion allowing the creation to stand proud for all to cast an eye and hopefully without doubt, a second thought.

Including a button heightens the mystery to the art of concealment; trash of so many kinds on multiple levels, even yesterday's news a star of the carpet

Framed to confine the view, yet another question, drifting to the write let your thoughts wonder. Break free from the moment are the emotions stirring within? Is that art, did the fab four get it right?

Since 2001 The Lions Club of Seaward Kaikoura have been running what has become known as “The Recycled Trash Fashion Show”

A selection of costumes created in years gone by, are on exhibition at Harmon’s Classic Car Museum

Stop into Bernie’s Diner where the art of making a real shake is still in fashion

105 Beach Road, Kaikoura

Enjoy the art around you in all its forms and take time to think about

Pictures snapped at Harmon’s Classic Car Museum 105 Beach Road Kaikoura, (yes,there are a couple of cars scattered about to)

VCC Member Discount aMitre

10 Mega Nelson

Present your membership card at checkout and you will get a discount on every purchase.

How it works: After completing your shopping go to any checkout, simply tell the operator the account number: **NNVCC (Nelson Vintage Car Club)** then present your membership card.

Every item gets a discount which in some cases is better than other accounts and is definitely a better discount than gold card. Its that easy.

If we support this scheme there could be opportunity in the future for a rebate back to the club.

Any questions phone Joanne 5470747 (Mitre 10 Mega) or 021598873

We invite you to come and buy from our farm shop or you will find our locally produced eggs at most Nelson Supermarkets.

Our range includes:

- Morning Harvest Eggs
- Sungold Cage Free
- New Day Free Range
- Doug's Free Range
- Sungold Organic Free Range
- Golden Downs Organic Free Range
- Quail Valley Free Range
- Betty's Barn Egg

The **TRANSPORT MUSEUM**

AGM 2022

Retiring Chairman Trevor Carston officially hands over the reins to incoming Chair Mike Bryan.

Trevor now holds the position of Immediate Past Chairman for the next 12 months

Hi Ford owners, well things are coming together for the above event and I can now advise for those that are interested that

Saturday 30th July, yes it's Henry Fords actual birthday date, I have arranged a site visit to Les & Rowena Beaumont business Marlborough Classic Customs 3 Warwick Street Blenheim, meeting at 1.30pm then off to Omaka at 2.15pm, where the meet on Sunday is being held, for a look at Bill Reids family Anson aircraft, the only one of it's type flying in the world,

Sunday 31st July, show vehicles parked up by 9.30am please.

A voucher discounting access to the Aviation Heritage Centre WW1 & WW2 sections and Omaka Classic Car Collection is being provided so take the opportunity to view these displays.

I'm arranging for a local taxis company to have a car or mini-bus taxi onsite to transport anyone that wishes to travel into our great town and back back to Omaka.

I would appreciate a email, if possible, of the number of your club members vehicles that are coming to this celebration event by Saturday 23rd July even if a few extra decide to come as we are having a onsite meeting Sunday 24th just to check that we have enough room for parking. This will also give me a idea of vehicles that may attend on the Saturday.

Local Ford Club Marlborough members and fellow Ford owners are also invited to join in on the Saturday also and I would appreciate a email from you as well.

Thanks for your help and look forward to seeing a amazing turn-out of Fords on 31st July.

Keep safe.

Regards,
Murray Eyles (Secretary)
